

# Match on Action

## Activity 2

Using the techniques we discussed during class you are going to edit the video clips that Mr. T has provided into a short scene where the two characters are talking back and forth to each other. The scene should be approximately 1 minute. It is worth 25 points and will be due at the end of the period on Friday, March 6th.

Grading criteria...

- You must make use of all three clips.
- Must include a title and end credits.
- Incorporate reaction shots/cutaways (ie. While one actor is talking, we must *occasionally* see the other actor reacting.)
- Actor movement must appear fluid.
- You must follow the 3 rules we discussed in class.
  - Cut in the middle of the action
  - Avoid letting your actor walk out of frame
  - Avoid letting your actor walk so far past the camera, we see the back of their head.

**\*Be sure to cut out the director's voice!**

***Want to go the extra mile???* Incorporate "J" and "L" cutting!**
