

# Video Production

## Interpret This!

In Hollywood, having to interpret and film a script that was written by someone other than yourself is very common. For this project you and your group will film and edit a video using a script which Mr. T will provide for you.

This video must be done in **groups of 4-6** and is worth **80 points**. It is **due Thursday, August 29<sup>th</sup>**.

### *Criteria...*

- You must include all of the original dialogue.
- You may alter character genders if necessary.
- You may alter locations.

### *Grading...*

- Title (5 Points)
  - End credits (Not included in 3 minute time requirement) (5 Points)
  - Editing technique (Good "Matching the Action", good use of sound effects, etc.) (15 points)
  - Quality
    - Audio (Is the dialogue clear and understandable? Are there any distracting background noises?) (15 Points)
    - Video (Is it focused and framed well? Does it contain a variety of shot types, angles, and movements? Do the shot types, angles, and movements convey the feeling/emotion that they're intended to?) (15 Points)
  - Continuity (Clothing, props, etc. must be consistent) (15 Points)
  - Participation/Effort (10 Points)
- \*Video must not contain any profanity, derogatory, or offensive terms or references to drug or alcohol use (this includes the music).

**Due Thursday, August 29<sup>th</sup>**

**One video per group! You choose the groups!**

**\*Please be sure and review your final video with all your group members prior to submitting!!!**
