My First Short Film Project

For this project you and your group will write, direct, and edit a short film. The film may be from any genre, however, it must have a protagonist who has a *want/need*, we must see that character go for that *want/need*, and there must be a *resolution*. The film must be **1-2 minutes** in length. It will be done in **groups of 4-6** (Mr. T will choose the groups!) and is worth **65 points**. It is **due Friday, January 31st**.

You will be graded on the following...

- Title (5 Points)
- End credits (Not included in minimum time requirement, but must conclude by maximum limit) (5 Points)
- Character Arc (15 Points)
- Quality
 - Audio (Doesn't need to be clear, but needs to be audible) (10 Points)
 - Video (Is it *focused*?) (10 Points)
- Participation/Effort (20 Points)
- *1-2 minute minimum requirement (-5 Points)
 - 1 second under = -1 point

*Video must not contain any profanity, derogatory, or offensive terms or references to drug or alcohol use (this includes the music). *No, you cannot BLEEP it out either.*

*You must edit this video using Final Cut here at school!

Due Friday, January 31st

One video per group! Mr. T will choose the groups!

***Please be sure and review your final video with all your group members prior to submitting!!!**
