

# Story Treatment

Now that you have developed your characters for your story, you are going to write a minimum 2 paragraph story treatment.

**What is a treatment?** A treatment is a detailed summary of your story.

**What is included in most treatments?** A good treatment will give the audience a good overview of what your story is about, as well as establish your character's **want or need** and **motivation**, **what steps the character will take to achieve that goal**, and what the **resolution** of your story will be.

This assignment is **worth 20 points** (10 points per draft) and will be **due with your Story Development packet**.

Your treatment must...

- Establish your character's want/need and motivation
- Tell us what steps your character will take to achieve their goal
- Tell us the resolution to your story
