Assignment #3

Tod Browning was a film director, film producer, and a screenwriter who started out as a performer for sideshows at carnivals. From there Browning worked for D. W. Griffith as a performer on nickelodeon comedies. Then Browning started working on films since then and became well known for the film "Freaks". Later on in 1918 Tod started to work with a part of Universal Pictures to work on the film "Wicked Darling".

Hayao Miyazaki is an director, screenwriter, animation director, film producer and a storyboard artist. Miyazaki started out as an entry level animator at Toei Animation. After that he got higher in the ranks at Toei Animation and worked for a few other animation studios. At Toei Animation he met one of his best friends Takahata. Later on Takahata and him got inspired to start their own studio, Ghibli Studios in 1985. From then on Miyazaki and Takahata have made more animation films to this day.
